

FIRE WOOD POLICY 2023-2024

- Who:** All parents are required to personally help cut firewood or fill the wood room.
- Why:** Helping with the firewood is part of your tuition responsibility. We are a small private school operating on a very limited budget. Heating with wood is one way we keep costs down. Many people also donate their time, talent and resources. Without the cooperation of all parents, the privilege of attending this school would not be possible.
- Safety:** Safety is the most important priority at all times. Parents must supervise their children to ensure a safe environment. No children will be allowed to help unless a parent is present.
- Time:** Saturday (promptly) 8 a.m.-12:00 noon unless otherwise stated in a letter.
- Where:** Meet in front of school.
- How:** The activities vary in woodcutting. A letter will be sent home with what we plan to do.
- Attendance:** If, for a serious medical reason, or any other reason, you are unable to fulfill your responsibility you must call the office in advance.
- Phone:** Gabrielle at the school office 608-565-2341
- No-Shows:** If a "family" does not show up for their duty you will be assessed \$120.00 Repeated no-shows will be required to meet with the School Board.
