God blessed us with beautiful weather for our annual summer festival and with that came a good crowd! This year was extra special because we celebrated the 20th year of the car show. Many compliments were made about our food and fun that was had. It was nice to see our usual patrons and alumni. There were many new faces that said they would be back next year. Overall the festival was a success and provides for the continuation of our school through funds. Thank you to all who helped with the organization, setup, and responsibilities of making the day run smoothly!

Welcome back Parents, students and staff.

We are excited to have students back in the classroom ready to learn, grow and lead. We strive to challenge each student to grow in his or her academic abilities making them confident and successful leaders. Communication is an essential part of a successful school year. If at any time you have a concern about your child's academic performance, please contact the school office. We look forward to an exciting and enriching year for our students.

Let's make it another great year at QHR together!

God Bless You,
Mrs. Jennifer Sparby / Principal

Miss Molly Mo:
Welcome, Miss Molly, as the High School Sewing teacher! This is her first time teaching and she is very enthusiastic to be working with the students. She first learned to sew, when she was 7 from her grandma and now she owns her own sewing business here in Necedah called **Molly's Sewing**. Outside of sewing she thoroughly enjoys gardening and all sports. We are excited to have Miss Molly this year.

WELCOME

Mrs. Jasmine Sparby:
We welcome Mrs. Sparby as our new High School Math and Science teacher. Mrs. Sparby taught Middle School Math and Science in Mauston for 6 years. She now teaches here at QHR and has enjoyed her time so far, although she was a bit nervous at first, it has been easier than she had anticipated. Mrs. Sparby has been happily married to her husband, Nate Sparby, for 8 1/2 years and they now have 4 children. She grew up on a farm and has always had a love for teaching, especially Math. Jasmine enjoys listening to audio books, gardening, and cooking whenever she has free time. All of her students find her to be great teacher and welcome her with much appreciation.

Field Trips

Oh Arts!

Mrs. King's high school art class took a fieldtrip to the Oh! Arts art museum in Mauston, Wisconsin. The students observed many inspiring masterpieces created by local artists. They even got to work on their very own picture project at the museum. The students learned that truly all art has a story.

The Crusaders for Life

The Crusaders for Life attended the Love for Life-Gala at the Brookfield Conference Center in Milwaukee, Wisconsin on September 21, 2023. The Speaker, Dr. Anthony Levatino who was a former abortionist, is now an advocate for life. He spoke about how he was trained to give life but take it as well. He discussed what it was like performing abortions until a personal tragedy occurred. He now promotes the right to life whether born or unborn.

The QHR students found his presentation on his life to be very interesting. They enjoyed every aspect of the trip and hope to attend more in the future.

Following them were the Kiddie Carts with Georgie Bires as the driver and some of the younger kids from QHR following behind. They all hope to attend next year and for any opportunity that arises to promote the defense of innocent unborn babies.

QHR Crusader girls volleyball team started backup last year with just practices. It wasn't until this year they had a few scheduled games. Their first game tournament of the season was held at Viroqua on October 7, 2023 against St. Patrick's of Sparta, The Talons of Richland Center and TCA of Viroqua. Coaches Madaline Bires, Virginia Hodal and Cassy Schmidt pushed the girls past their limits to set aside their fears and find out just what they are capable of accomplishing and it gave us a win!
